

# Get Started with Second Life

**Date:** 9/18/09

**Time:** 11:00—12:00

**Location:**

**Room B-35, basement,  
Young Library**

Please join us for a free training class for anyone new to Second Life who is interested in participating in the **Common Reading Experience** book discussion taking place on **UK's Second Life island** on Oct 12. This class is for anyone who wants a little help getting started, whether you have an avatar already or not.

*Remember that Second Life is installed on campus in the labs in both Young Library and King Library. (The link is under "Instructional Software" or ask a lab manager if you can't find it.)*

**See**
